true hot-holding | flexible merchandising

## 2 Tier Rack

Increase your capacity by 50% and present products in the best way using the 2 tier rack

## Condiment Baskets

The ideal way to offer impulse add-on sales of jams, honey, sauces and dressings to complement your hot products. Simply hook onto the shelf in front of your porridge, breakfast sandwiches, fries and more.

## Angled Merchandising Insert

Angle products towards the customer's view to showcase colourful foods and create more visual impact.

## Dividers

Use the handy dividers to separate different foods on the angled merchandising insert.

## Merchandising Rack - Narrow

Present your hash browns, pizza slices, flatbreads and more in the perfect way for visual impact, whilst at the same time increasing capacity.

## Merchandising Rack - Standard

Perfect for displaying breakfast sandwiches, paninis, wraps and burritos. Double your product volume and improve visibility with one accessory.

## Merchandising tray

Merchandise your products back-of-house for an efficient way of filling Flexeserve Zone®. Merchandising racks easily click into the trays for a safe way of transporting to front-of-house. Trays can also slot into the angled merchandising insert for improved product visibility.

## Fan Guard

Protect the fan plate from being blocked by food packaging and maintain full air flow.
